GARFIELD
HIGH SCHOOL

Times Of Pleasure And Work

We, the staff of the **Indian Echoes**, proudly dedicate this yearbook to all those in uniform who are serving in Viet Nam and to those who have died so that we may be able to live in a free world.

Principal's Message

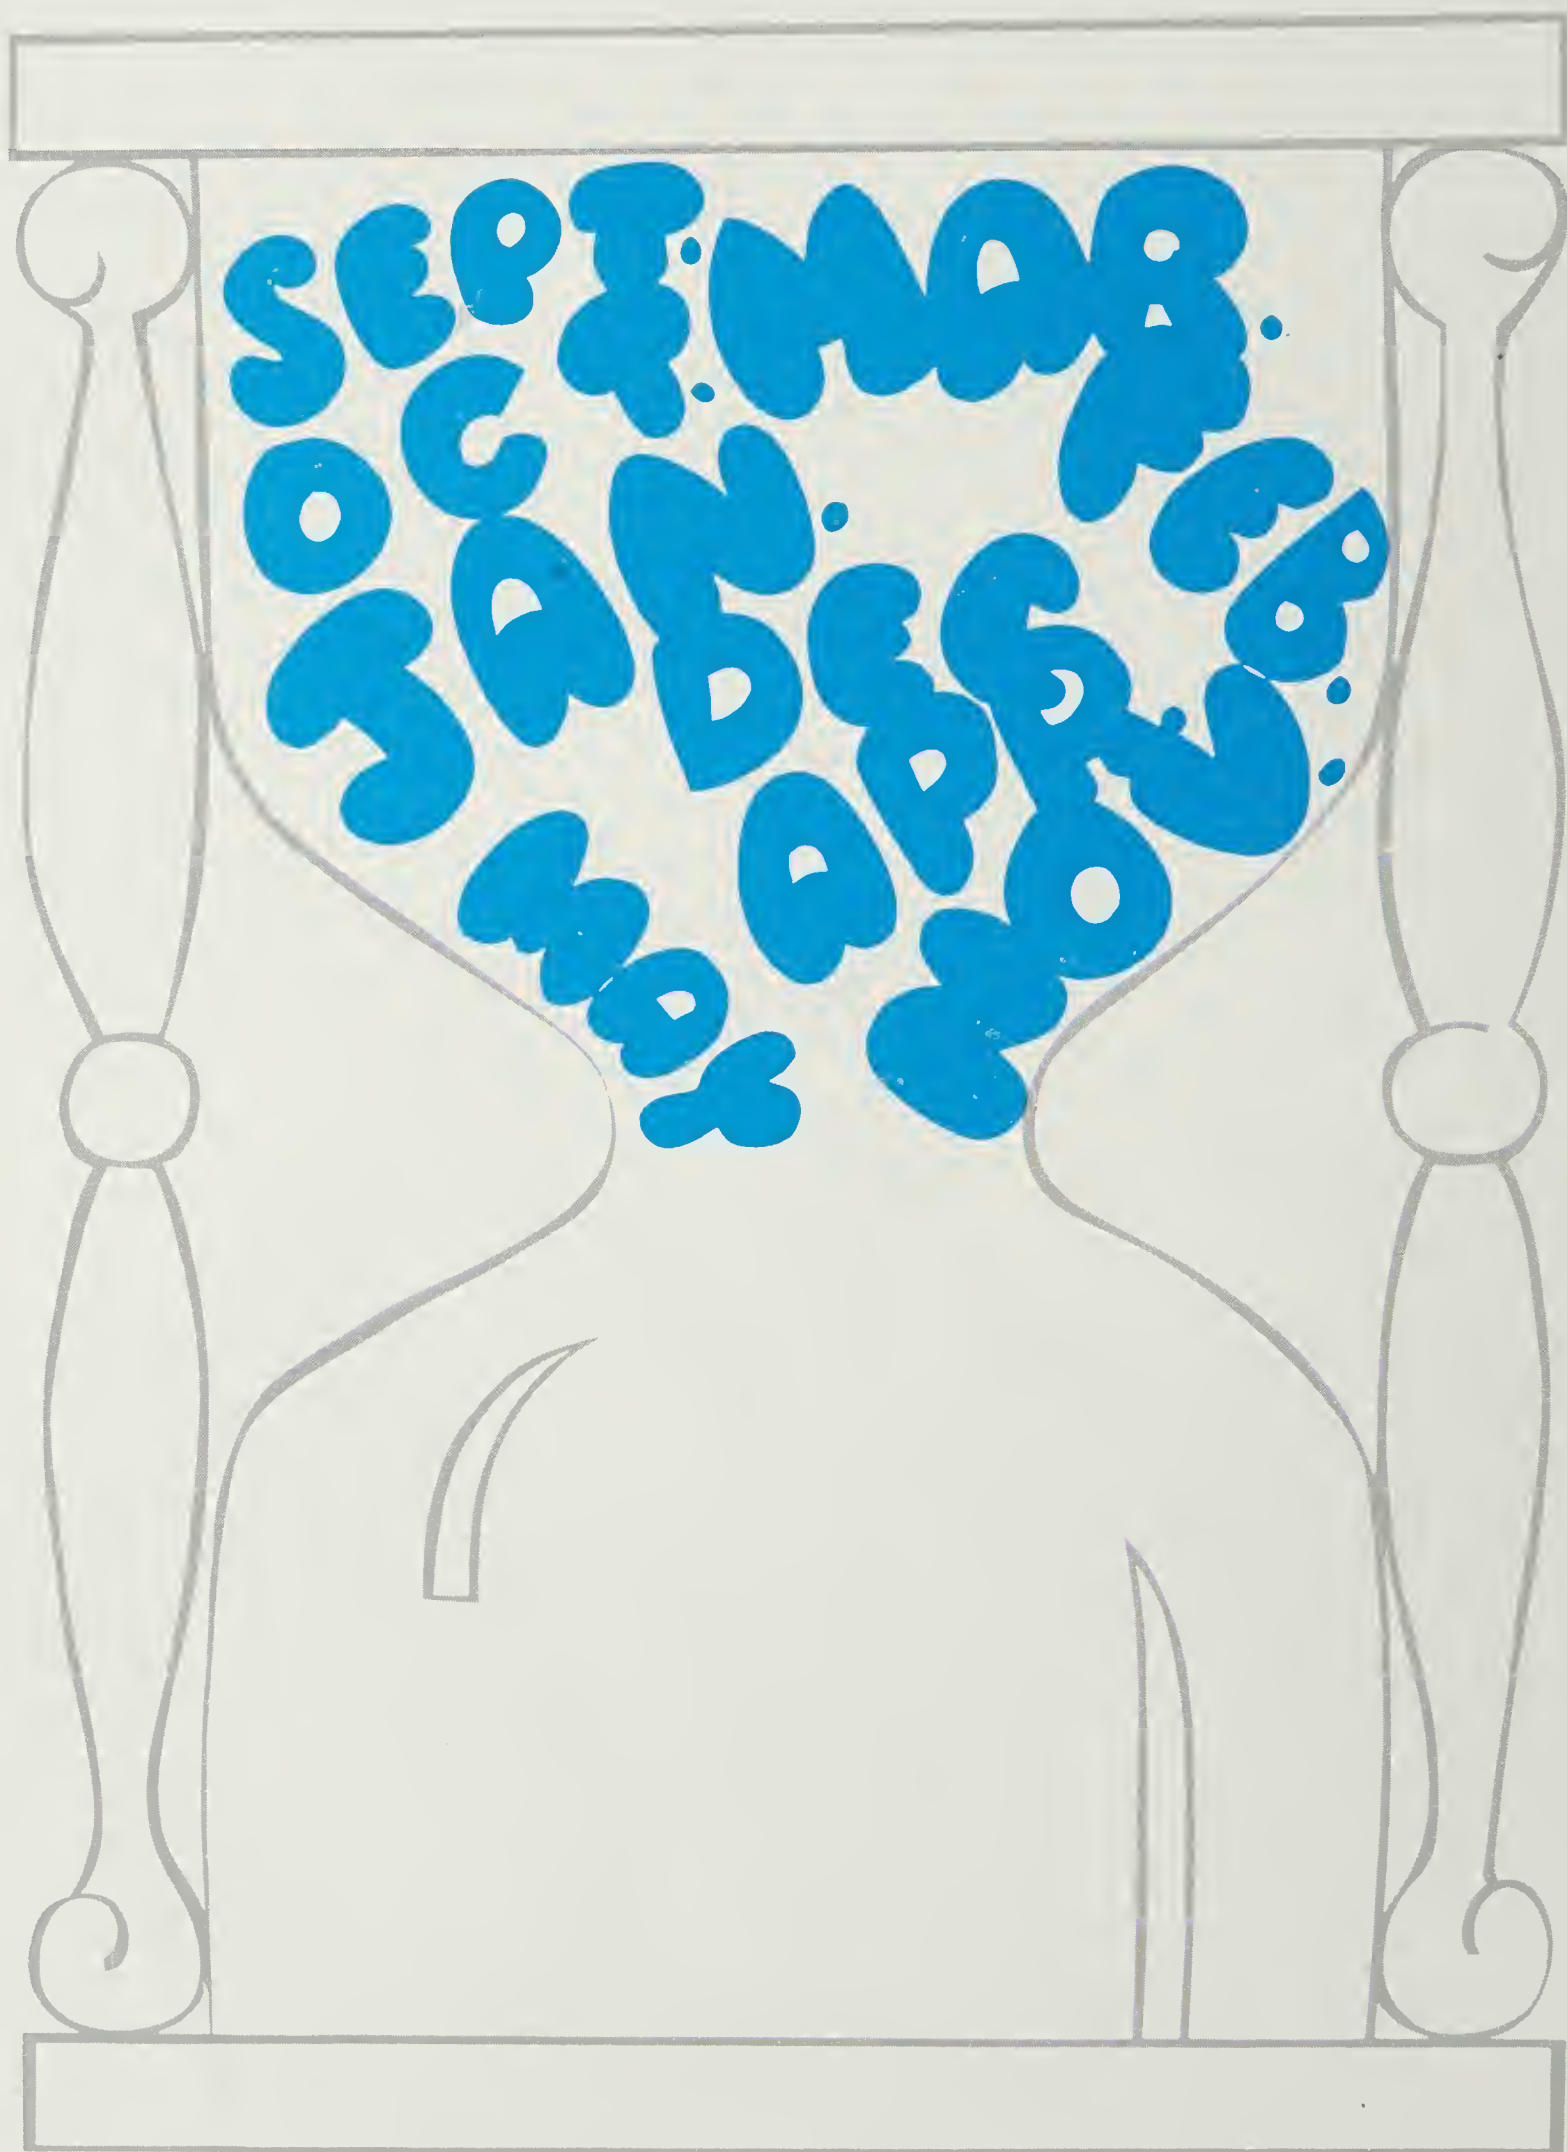

Are you proud of Gar-Field High School? What are you doing to make Gar-Field a better school and to improve the education and training which you receive? Success in life is paralleled by the effort and determination which is exerted and by the pride which is developed by each individual.

Pride has been defined by Mr. Webster as lofty self-respect of a reasonable delight in one's position, achievements or possessions. First of all, we must develop pride in our personal appearance and accomplishments. We must be willing to sacrifice and work towards complete utilization of our talents and abilities.

Every member of our student body and staff is an integret part of the total school program. When each of us develops self-respect and pride, this individual pride becomes the collective "spirit of Gar-Field". This spirit can best be expressed by active participation in and support of all phases of the school program. The athletic teams and other active participants in inter-scholastic competition measure their success by the support of the student body which they represent. Let each of us strive to make Gar-Field the best.

Student body packs into Gar-Field's stands for assembly first day at school.

As September rolls along, the students of Gar-Field High School, find out that school is again the grind and mill that it was last year.

With the start of football, girls basketball, and other activities, the excitement of the first few weeks of school dies down and the normal hum-drum of school-life begins.

September Begins '67-'68 School Year

Mr. Palmer seemed to be enjoying himself, while busy speaking at Gar-Field.

Pam Bauckman grins from ear to ear as she poses in front of G-F band.

Spirit Exceeds Expectations

Sharold Brown and Karen Chruch are a bit enthusiastic about the first game of the season at Loudon County.

Color guard stands at attention while performing their duties at the game.

Joyce Deslandes and Bill Brookover, graduates of 1967, cheer G-F on.

Captain Linda Kirby, mascot Darlene Cekala, and Co-Captain Lynda Fairweather add school spirit to G-F team.

October Brings Excitement Over Homecoming

Gar-Field victors over Woodbridge in decisive game.

October begins with excitement, as the student body gets ready for homecoming and all the events that are held during homecoming week.

The bonfire, on October 12, was a success as were the girls basketball teams with their victories over Woodbridge Senior High School. Also on this eventful night, G-F's cross country team and j.v. football team defeated Woodbridge in both events.

The parade and game, on October 13 led homeroom 205 to victory, Maureen Tierney to become queen, and G-F to defeat Nokesville with a score of 75-0.

On October 14, Miss Tierney and court reigned over the dance, "Indian Summer".

Bonfire ignites school spirit for the Homecoming game.

The float from homeroom 205 takes first place in homecoming parade.

Chip Lafurncy and Shelly Dawson play the leading roles in the three act play THE MAN WHO CAME TO DINNER.

Homecoming; Delightful And Eventful Weekend

Senior Candidate Maureen Tierney walks through the auditorium aisles while student body votes.

Senior candidates Lu Ann Stuart, Linda Barros and Maureen Tierney, anxiously await homecoming game and crowning of queen.

Maureen Tierney shows tearful joy at being crowned homecoming queen.

Maureen Tierney begins reign as '67-'68 homecoming queen.

"Indian Summer" Proved To Be A Delightful Night

Homecoming queen, Maureen Tierney and court reign over dance, with the theme of "Indian Summer".

Maureen Tierney escorted by Melvin Meadows.

Lu Ann Stuart escorted by Larry Havener.

Linda Barros escorted by Steve Welch.

Bonfire, Game, Parade and Dance Proved To Be Best Yet

The Lee Maxfield Orchestra provides delightful music for the dance.

Mr. & Mrs. Samuel P. Cox enjoy themselves at the homecoming dance.

An enjoyable time was had by all at the homecoming dance.

Steve Welch, emcee of the Junior Variety Show, adds that certain flair by modeling his new "tux!"

Football managers take it easy, because they know the season is over.

Gar-Field defeats Woodbridge, 23-6, at last game of the season.

This year, the students had a very good reason for giving thanks. For the first time in years, Gar-Field had an un-defeated football team and our guys beat Woodbridge for the first time in three years.

The Junior Variety Show, the Beat Goes On, was a great success and enjoyed by all.

November—A Time To Give Thanks

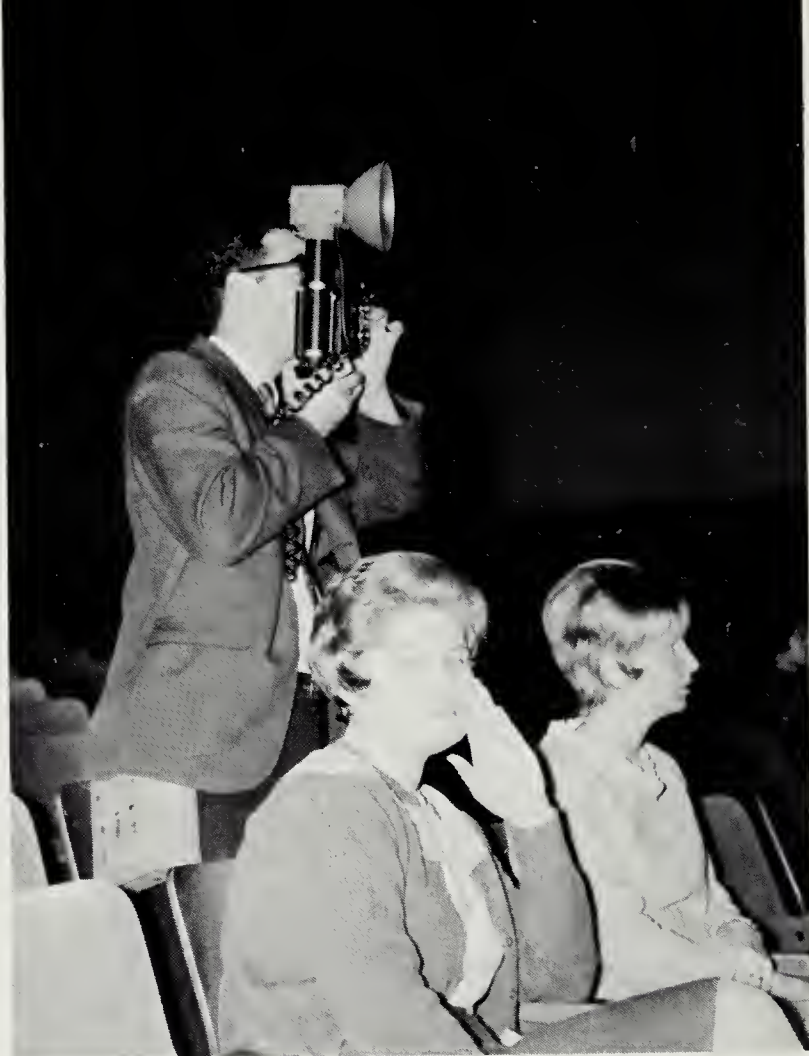

Gar-Field runs on field, determined to win the last game of the year against Woodbridge Senior High School.

December— The End Of Another Year!

Linda Kirby, Darlene Cekala, and Debbie Shaffer relax after a hard day of picture taking.

Mr. Overby, photographer for the yearbook, spends day taking organizations pictures.

December, bringing forth the end of another year, made many realize the problems facing them in the new year.

Many activities were planned around Christmas. Among them, to mention a few, was the Sophomore Class Play, and the tedious job of taking pictures for the yearbook.

The Sophomore class play, "Out The Window," featuring Scott Nicklin, was a great success.

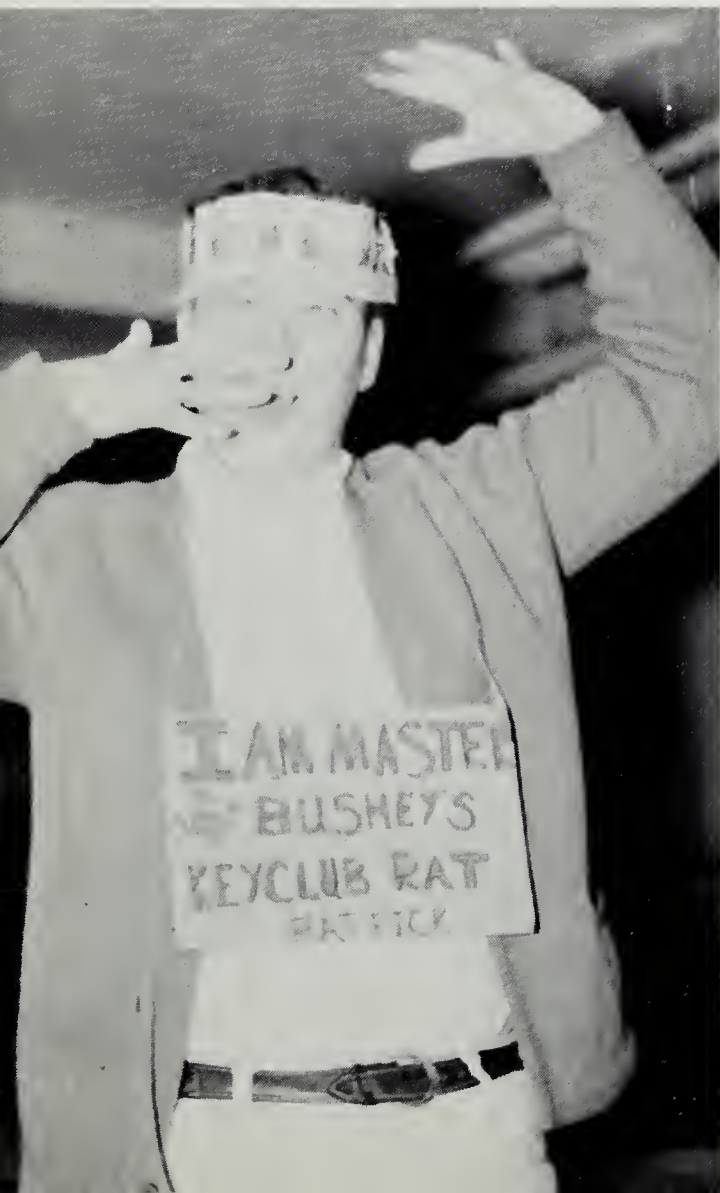

Debbie Frisbie and Scott Nicklin in "Out The Window," are only two of the many talented Sophomores that participated in the play.

The busy Senior Teaching Days made the lives of the office staff a real joy.

Senior teacher, Pam Bauchman, instructs Eddie Dixon with his studies.

John Fick enjoyed being Danny Bushey's rat during the Key Club initiations.

The Key Club initiations proved to be quite an experience. Wouldn't you think so Al Butler and Robby Stevens?

Slave Sale Starts Year Off Right

Homecoming queen, Maureen Tierney, displays the finer clothes of her wardrobe at the Indian Scripts Slave Sale.

"Now who'll be the first to bid on these three fine slaves." cries the auctioneer. "Now you know that Jeanne Rebel, Marcia Barros, and Al Butler will work hard for you."

A first hand view of slaves before bidding started to give the buyers a chance to look for the best slave being sold by the Indian Scripts at the Slave Sale.

Mike Bryant hides his embarrassed face as he goes on sale at slave sale.

G-F spirit brings excitement to school year.

A Seniors' Last Look Into The Past

This, the SENIOR CLASS of 1967-68 at Gar-Field High School has been one that will be remembered and cherished by every member of the SENIOR CLASS. Every student has special memories that no one else shares, but every member shares the memories of achievement, accomplishment, and friendships.

We, the students of the Senior CLASS, have our memories to hold and remember and now look forward to our future and what it holds for us. We may be sad to leave, but we've learned responsibility and now we must leave the halls of Gar-Field High School to seek what life holds for us.

All of the boys worked hard and proved that they belong to the greatest school in the county—Gar-Field High! Mr. Jack Duncan, coach of the team, has said that he is proud of his boys and knows that they are the best in the state.

Mr. Bob Greer, coach this year, has spent long, hard hours with his team in hopes of winning the championship. The boys have spirit and a lot of determination that will take any ball club a long way if that is what they want.

Next year's team will be just as exciting as ever with new blood as well as old.

G-F is proud to say that the Tennis team has done the school honors by capturing the Monument District Championship again this year.

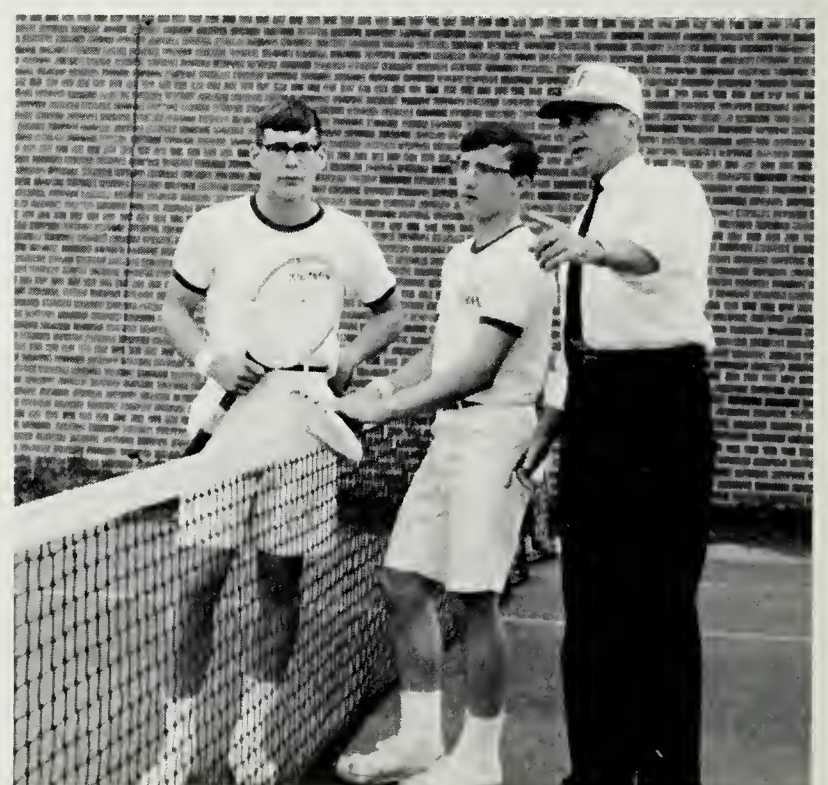

Mr. Mabry, a fine athlete himself, spent many long hours helping these boys gain the knowledge they have of the game.

Next year G-F hopes to see another fine team and another exciting season.

That's right Scott, go ask somebody that knows the game.

Mr. Mabry explains the proper techniques to a good game of tennis to Harry Katsarelis and John Kaila.

G-F's Track Team—First At G-F

This year was the first year that G-F has ever had a girls track team. This year it was coached by Miss Ferguson, a p.e. teacher. This has been her first coaching job and she did real well.

There was only one meet and that was held at Brentsville District High School. There are great hopes for the team next year as the team will be wiser and stronger.

Miss Ferguson looks pleased with her track team, as it is her first team and coaching job.

G-F's first track team members are from L-R: Kathy Davis, Dolores Cronin, Linda Totten, June Miller, Linda Evans, Jeanine Ferdette, Nancy Cronin, Susan Straub, Joan Davis, Mary Ann Blazek, Renee Pippens, Diane Bockes, Cheryl Thurston, Susan Moody, Dorothy Conley, Tenly Hanson, Janet Daily, Jennin Merrifield, Miss Ferguson.

Under the sponsorship of Miss Jeannine Turner, the Junior Varsity Cheerleaders did a hard job real well.

They helped with bake sales for new uniforms, they cheered at all the football and basketball games, and practiced for long and hard hours. At almost every game you saw posters made by these girls. They have contributed greatly to school spirit and will continue to do so in the future.
